The Dominican Development Group

The Dominican Development Group (DDG) assists the Episcopal Diocese of the Dominican Republic in achieving financial self-sufficiency. Founded in October 1998, it is a unique mission organization within The Episcopal Church.

The primary goal of the DDG is to seek human, material, and financial resources that are required to maintain the diocese's rate of growth and to provide the diocese with the ability to maintain quality programs.

The DDG is incorporated in the State of Florida, and is recognized as a 501(c)(3) organization. Contributions made to the DDG are tax-deductible under US law.

The DDG is credited with one photograph in the 2014 Five Marks of Mission Calendar published by Forward Movement Publications on behalf of the Episcopal Church. This photograph shows “Las Chicas Nice” in Epiphany Cathedral during the Encounter in Mission in April 2013. It can be ordered from the link above. The cost is US \$9.95 each or US \$8 for 10 or more.

A Spanish version of the calendar with possibly up to nine photos from the DDG is in preparation for publication by Forward Movement at this time. A final decision on publication has not been made but should come soon. If and when the calendar is available, it can be ordered through the link:
