DDG Joins the AmazonSmile Program

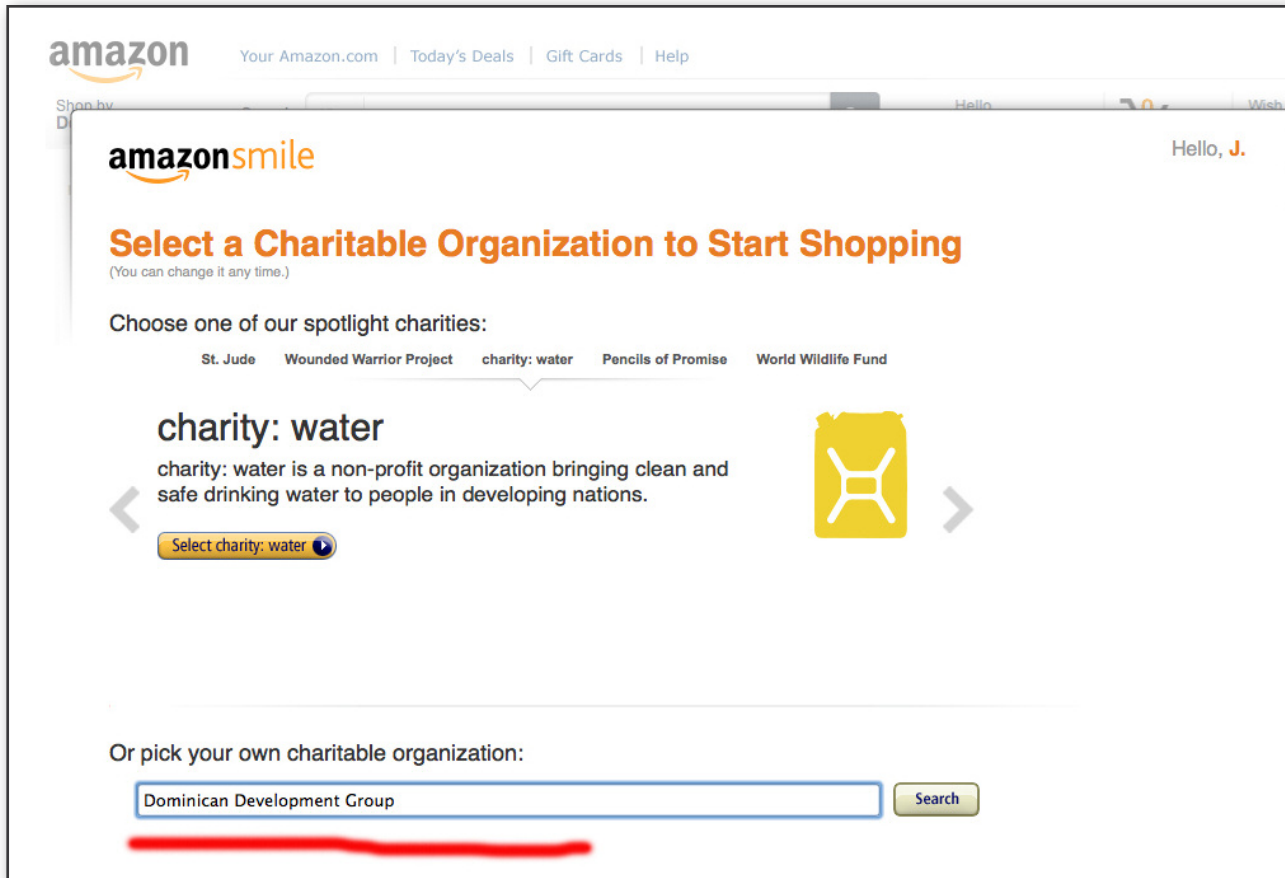

The Dominican Development Group has enrolled as an eligible charitable organization in the AmazonSmile program. This program allows charitable organizations to receive 0.5% of the price of eligible items purchased through the Amazon online site at no additional cost to the purchaser. Tens of millions of products on AmazonSmile are eligible for donations. You will see eligible products marked "Eligible for AmazonSmile donation" on their product detail pages. For more information on the AmazonSmile program, go here: <https://smile.amazon.com/about/>

Anyone with an Amazon account can designate the DDG to receive these contributions by following these four steps:

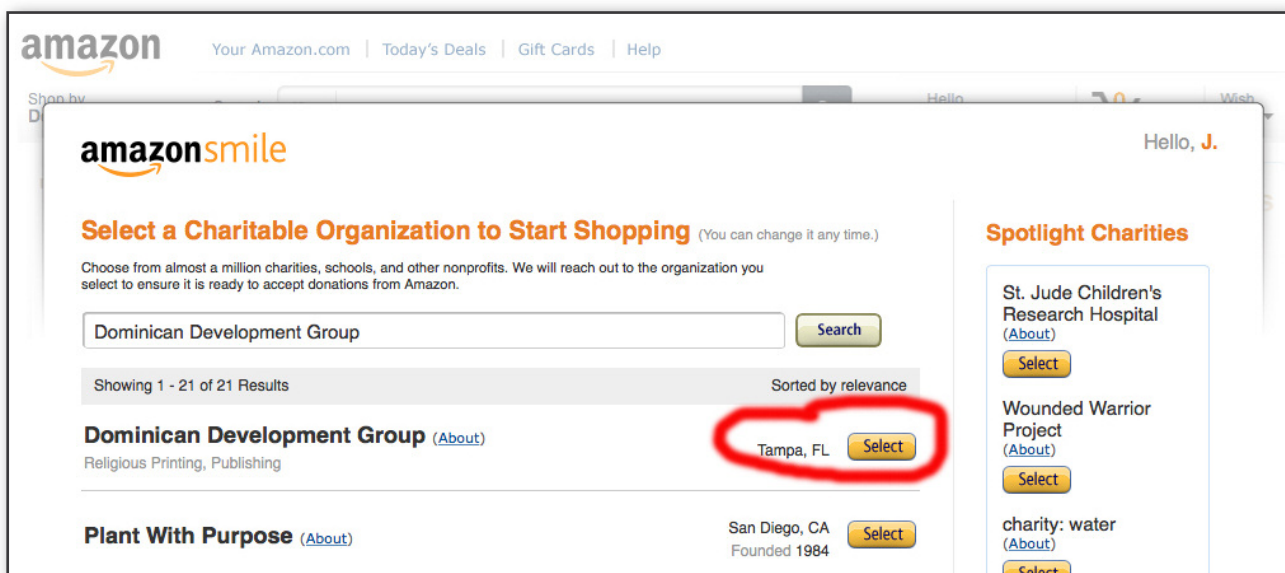

- 1) Go to <https://smile.amazon.com> and log in with your Amazon account name and password (see bold box below):

The screenshot shows the AmazonSmile website interface. At the top, the Amazon logo and navigation links are visible. The main heading reads "Welcome to amazon smile" with the tagline "You shop. Amazon gives." Below this, there are three bullet points describing the program's benefits. On the right side, a "Sign In" section is highlighted with a red box. It contains a "Sign In" heading, a "Your email address:" label with a text input field containing "you@emailcompany.com", a "Your Amazon password:" label with a password input field containing "*****", a "Forgot your password?" link, a "Sign in using our secure server" button with a play icon, and a "New to Amazon? Create an account" link. At the bottom of the page, there are social media links for Facebook and Twitter, and a copyright notice for 1996-2014 Amazon.com, Inc. or its affiliates, along with links for "Conditions of Use" and "Privacy Notice".

- 2) Enter “Dominican Development Group” in the “pick your own charitable organization” area (see bold line below):

- 3) Click the “Select” button to the right of “Dominican Development Group”:

- 4) You will see a “Thank You” screen confirming your choice of the Dominican Development Group.
