

2017 Prayer Book Drive

Help provide much needed Spanish Prayer Books for the 78 Church congregations in the Episcopal Diocese of Dominican Republic

Bishop Julio Holguin has made a request for additional copies of the book of common prayer in Spanish. These Prayer Books are 24.00 each from church publishing but the DDG purchased 200 copies for the discounted price of 20.00 each which includes shipping. We hope to have each missionary coming on a mission team this year to purchase a copy and bring it with them to present to the church. If you are not traveling on a mission team you can still help, if you purchase a prayer book we will arrange to have it carried down by a SWFL missionary. Those wishing to purchase and donate a prayer book can make the check payable to the:
